Order codes

CTL-9-27-CC-LLL-VVV

Voltage	012 = 12V
	120 = 120V
	230 = 230V
Cable length	050 = 50cm
	120 = 120cm
	050..190 - 10cm apart
Control option	BT = Bluetooth
	IR = IR with universal remote control
	PB = Push button
	DMX = DMX512
	*All combinations possible (ex. BTIR)

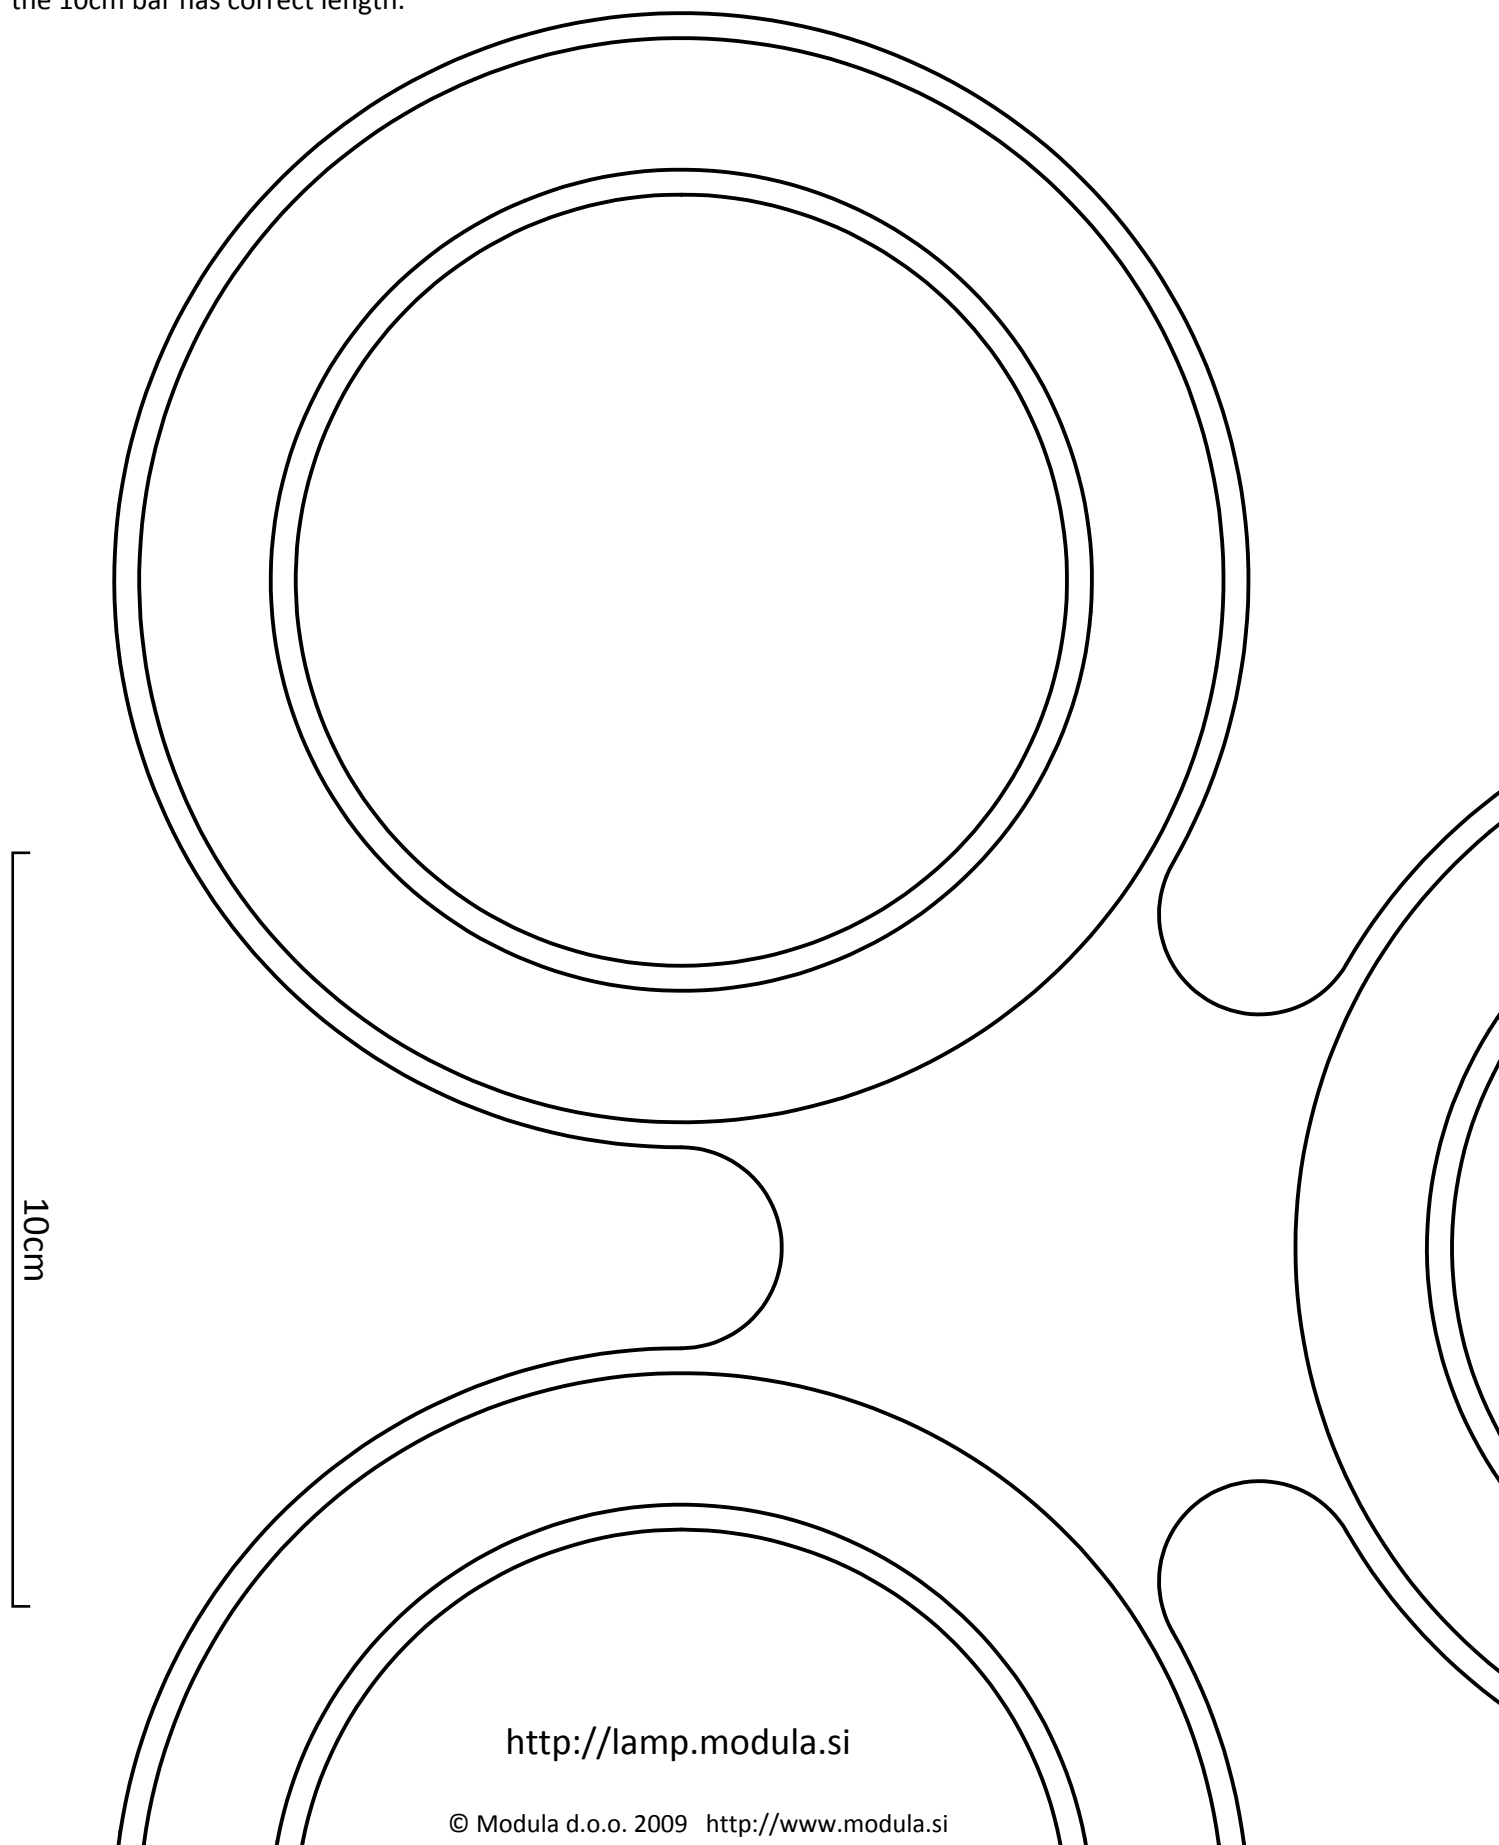

Color therapy lamp - 1:1 part of bottom view

You can print this page on your printer to get a better feel for the size of the lamp.

In the print dialog set "Page scaling" option to "None".

You can check if scaling is correct with a ruler on the 10cm bar

You can also zoom this page on your monitor so that the 10cm bar has correct length.
